OPEN RECORDS POLICY BROCHURE

Pursuant to the Kansas Open Records Act

K.S.A. 45-215 *et seq.*

It is the official policy of the Kansas Board of Cosmetology (KBOC) that public records maintained by the KBOC be accessible to the public in accordance with the Kansas Open Records Act, K.S.A. 45-215, *et seq.* Access to public records will be provided timely, with due regard for the privacy of individuals licensed by the KBOC, and with due regard for preserving the records maintained by the KBOC and preventing excessive disruption of the agency's essential functions.

YOUR RIGHTS AND RESPONSIBILITIES UNDER KORA

It is your right to:

- Inspect and obtain copies of public records which are not exempted from disclosure by specific law.
- Obtain a copy of the agency's policies and procedures for access to records, and to request assistance from the KBOC's Freedom of Information Officer.
- Expect to receive a written response to your request within three business days after receipt of the request.
- Bring a private lawsuit in district court or file a complaint with the Office of the Kansas Attorney General or the County or District Attorney if you feel you are wrongly denied records that you have a right to access.

It is your responsibility to:

- Request identifiable records. KORA does not require an agency to provide information, answer questions or create records.
- Put your request in writing and include the name, mailing address and phone number of the person requesting the record. See attached Open Records Request Form for assistance.
- Pay the reasonable fees, not exceeding the actual cost, before the agency processes the request or provides access to the requested records.

KBOC'S RESPONSIBILITIES

We must:

- Adopt procedures to be followed in request access to and obtaining copies of public records.
- Appoint a Freedom of Information Officer who can answer your questions and settle disputes under KORA.
- We must have a records custodian available during all regular business hours and have procedures for allowing access on those business days when regular office hours are not maintained
- Make facilities available to you for inspecting our records.
- Allow you to make abstracts or to have copies of our records.
- Redact the exempt information and provide you with the remainder of the record if a document partially contains exempt information.
- Provide you with a written statement citing the specific provisions of the law under which we are denying access if you so request. For a list of exempt records under the KORA, see K.S.A. 45-221. Note that other state and federal statutes may also restrict access to certain records.
- Act upon requests for documents within three business days of receipt of the request or give you an explanation of the reason for delay.

Written Request

To assure that the request is clearly understood, the agency requires requests for access to or copies of records be made in writing. All requests for records must state:

- The requestor's name. Note that KBOC may require proof of identity of any person requesting access to a public record.
- Mailing address and email address
- A phone number where the requestor can be contacted, and
- Detailed information about the records being requested. This will help staff in determining if the requested records exist and are in the agency's possession. Requests for records not yet in existence or documents to be created prospectively cannot be honored.
- The attached Open Records Request Form contains the information the Kansas Board of Cosmetology requires. You may use it to submit a request to the Board. This form is not required to be used.

Advance Payment of Fees Required

The agency will provide the requestor with an estimate of the fees before gathering and processing or providing access to the records. The estimated fees MUST be paid BEFORE the agency processes the request or provides access to the requested records. While we do our best to provide an accurate estimate of the fee, it is possible that the records can be produced for less than the estimated amount. If so, any additional amounts will be refunded. However, it is also possible that we will discover the estimated fee is low once the actual processing work is started. If we discover that the estimated fee is too low, we will promptly advise the requestor any correction to the fee, and request advance payment of any additional costs before continuing the work. Payment may be made by check or money order payable to the Kansas Board of Cosmetology. Returned checks will incur an additional fee of \$30.00.
