Re: Written practical exam resource and CIB update

Dear School Administrator,

The resources listed for the cosmetology and electrology written practical exams have been updated on the resource document and the CIBs for these professions.

**What Changed?**

The Milady Standard Foundations. 1<sup>st</sup> Edition, 2020. Cengage Learning text was cited as a resource for the cosmetology and electrology written practical exams. The Milady Standard Foundations. 1<sup>st</sup> Edition, 2020. Cengage Learning text is currently only available for the esthetics and manicuring subjects; therefore, it has been removed as a resource for the cosmetology and electrology written practice exams.

Please use the following links to access the updated written practical exam resource document and the exam CIBs and don't forget to RSVP to attend the examination review scheduled for May 27, 2021! Link also provided below.
